

NOTICE OF REQUEST FOR PROPOSALS

Notice is Hereby Given:

The City of Marion is seeking qualified and experienced consulting teams to perform design and engineering services, including trail/bridge design, for the CeMar Trail from 7th Street to the southwestern City limits in Marion. The project site is located mostly along abandoned railroad right-of-way and through City-owned parks. The proposal shall consist of survey, preliminary design, hydrological and environmental review, construction drawings and specifications, project manual, project letting, and construction administration. For more information regarding the project, please contact Kesha Billings, with the City of Marion at (319)743-6320 or at kbillings@cityofmarion.org.

All proposals are due by 2p.m. on Wednesday, November 23rd, 2016.

/s/ Wes Nelson, City Clerk

(TO BE PUBLISHED November 3, 2016)
