II. Public Response

There was no public response.

III. Approval of Minutes from August 2018 Meeting.

IV. New Business

a. None

V. Old Business

- a. Project Review/Fund Balance Update Original LOST Projects
- b. Project Review/Fund Balance Update Extended LOST Project

LOST reports were distributed at the meeting for review. The committee members shared their frustrations with the report indicating the font was too small. It is difficult to determine what changed from the last meeting to the current one. The members would like to see a simpler report indicating the status of each project and indicating the percentages per the ballot language. They would also like to hear project updates.
