Welcome to Online Registration & Reservations

Last fall we launched our online registration platform. We encourage you to set up your household account at www.cityofmarion.org/parks-recreation. Then view and register for all our programs with just a few easy clicks. For renters, we encourage you to use the online calendar for the facilities to view availability and reserve select facilities. Please note, some facilities still require in-person reservations.

HOUSEHOLD ACCOUNTS | Please make sure to set up your household account and add all family members to your account to make the registration and reservation process quick and easy for future use.

HOUSEHOLD CREDITS | If you ever need to cancel a registration you will have the option to take a refund or have the amount applied as a credit to your household account for future use. You will still need to contact the Parks and Recreation office for cancellation and refund requests.

TEXT ALERTS | Be sure to include your mobile number on your account. This allows you to receive text alerts for program cancellations.

VOLUNTEER COACH REGISTRATION | Coaches can now register online for the program they wish to coach. Simply search for the “coach” option with the desired program listed after it and complete the registration process.

POOL MEMBERSHIPS | We are excited to roll-out a new pool membership system and the ability to now accept credit/debit cards at the pool. Look for more information by early spring.

NEW! RENTAL POLICY | You are now able to rent facilities for the current calendar year as well as the next year. For example, you can now rent rooms and pavilions for all of 2021 (current year) and all of 2022 (next year). The full calendar year is opened each January. This is a significant change from the one-year policy that was previously in place.

COVID-19 Update...

We are hopeful that 2021 will seem a bit more normal in the world of Parks and Recreation. We are doing our best to adapt and bring programs and events back in a safe manner. Some of our typical programs and events may still look and feel a bit different. The programs in this guide may be subject to modifications, interruptions or even cancellations.

As always, we encourage you to register for any programs you are interested in to help us gauge interest. We will continue to explore creative ways to offer our programs and services moving forward. This includes:

- › implementing specific program-based protocols based on public health recommendations
- › modifying programs to emphasize healthy participation practices
- › eliminating high-risk programs
- › providing alternate remote and socially distanced programming
- › modifying our rental procedures
- › keeping our parks and trails maintained and open for use.

VOLUNTEER COACHES NEEDED!

Many of our recreational leagues use volunteer adult coaches. Without the generous spirit and time commitment of volunteer coaches, these programs would not be possible. Volunteers teach and stress age-appropriate skills and fundamentals, and always promote good sportsmanship and fairness. They are expected to be a positive role model for players, parents and spectators. If you are interested in becoming a volunteer coach, please indicate such on your child's registration form or complete registration online for the desired program. Background checks are performed on all volunteer coaches. Contact the Parks and Recreation office with questions at 319-447-3590.

REGISTER EARLY!

Nothing hurts a program more than missed deadlines. Please register early to ensure we have adequate numbers to hold our programs and time for us to communicate with participants. Registering before the deadline also helps ensure that we have enough time to order any necessary equipment or supplies for the program. We cannot guarantee there will be any openings after the deadline has passed. Once a program is full, participants may choose to be placed on a waiting list.

New Year, New Technology!

With the implementation of new software, we will now be able to accept credit/debit cards for daily admissions and pool memberships. Concessions will still be cash only, but we are working towards upgrading that soon.

Another change will be the elimination of the old-fashioned pool "pins" and the use of a more modern pool "tag" that will allow members to scan into the pool upon arrival. Each person will be issued a tag with a bar code that is specific to that individual and scanned prior to entry into the pool.

Prior to purchasing your pool membership, we encourage families visit <https://marionrec.recdesk.com/> to set-up their household account. This will help us expediate the pool membership transaction. Please be sure to include all members of your family in your household account (even if they will not be included on the intended pool pass).

Pool memberships can be purchased online beginning April 1.

Family Seasonal Pool Membership

Includes two adults and immediate children that all reside at the same address. This can include children of divorced parents who have joint custody, step-children or foster children. A babysitter/nanny may be added to your family pass for an additional \$75. A babysitter is defined as a responsible person that will bring your children to the pool and supervise them at all times in your absence.
