

UPTOWN IS GETTING AN UPGRADE

UPDATES:

Date: Aug. 2, 2022

Recent Week(s):

- Crews completed the removal and replacement of the water main in the 600 block of 10th Street.
- Joint trench and irrigation systems were installed in the 600 block of 10th Street.
- Concrete work was completed for the building entrance improvements along the 10th Street and 7th Avenue sides of the Owen Block Building. Please be aware that fencing will remain until the railings can be installed.
- Geogrid and granular subbase were installed and the 600 block of 10th Street was prepped for paving.
- Work began in the 600 block of 9th Street. Pavement removal and storm sewer installation were completed from 6th Avenue to the alley.

Looking Ahead:

- Paving operations will continue in the 600 block of 10th Street. Mainline pavement and west side sidewalks are expected to be installed.
- Work will continue in the 600 block of 9th Street. The roadway will be prepped for paving and the roadway and sidewalks are expected to be installed.
- Work will continue on the sidewalk improvements in front of the Broad & Main building. Brick pavers are expected to be installed.
- In the next few weeks, bike racks and trash receptacles will be installed by the Parks and Recreation Department along 7th Avenue and in the 11th Street Plaza area.

Event Info:

- Uptown Getdown returns to City Square Park this Thursday, Aug. 4. There will be some parking spaces reserved along the south side of the park to accommodate the band setup. Uptown Getdown will be held at City Square Park every Thursday in August.
- The Uptown Marion Market returns to 7th Avenue and City Square Park on Saturday, Aug. 13. With more than 35 vendors participating, there will be some localized road closures in Uptown Marion. Seventh Avenue between 10th and 12th Streets will close to through traffic from 6 a.m. until 1 p.m. that day. A detour will be posted.
