

UPTOWN IS GETTING AN UPGRADE

UPDATES:

Date: Aug. 17, 2022

Recent Week(s):

- Storm sewer was installed, roadway and sidewalk paving occurred and pavement markings were painted in the 600 block of 9th Street. This work area reopened to traffic.
- Roadway and sidewalk paving occurred, pavement markings were placed and the 600 block of 10th Street reopened to traffic.

Looking Ahead:

- Paving of the concrete base is anticipated and the decorative brick pavers will be placed along the 600 block of 10th Street.
- Trees and plantings will begin to go in along 7th Avenue, in the 11th Street Plaza area and along 10th Street.
- Sod will be placed in the green space areas of the 600 block of 10th Street.
- Work will continue on the sidewalk improvements in front of the Broad & Main building. Brick pavers will be installed and two additional light poles will be setup.
- Light poles and pedestals will be mounted along the 600 block of 10th Street.
- Existing pavement will be removed in the north half of the 600 block of 9th Street and on 7th Avenue between 8th Street and 10th Street.
- Pavement subgrade preparation will occur and granular subbase is expected to be installed in the 600 block of 9th Street.
- Water main and storm sewer work will begin along 7th Avenue between 8th and 10th Streets.

Event Info:

- Uptown Getdown is happening in City Square Park every Thursday in August. There will be some parking spaces reserved along the north side of the park to accommodate the band setup.
