## Marion *Native Tree* Right of Way (ROW) Enrichment Pilot

REBUILD & RESTORE NATIVE HABITAT

The City of Marion is partnering with Monarch Research in this community-wide tree planting effort.

Our goal is to provide a continuous canopy of native trees on all ROW residential or commercial property. Participation is easy - register online, select up to 3 trees, and commit to their planting, watering and protection. **Become a Tree Ambassador!** Register early to secure your tree selection.

**Registration begins Sept. 10!**  
Visit the [cityofmarion.org](http://cityofmarion.org) or [monarchresearch.org](http://monarchresearch.org) to learn more and register.
