## Community Highlights

Marion is one of the Midwest's fastest growing cities – and one of the youngest per capita. We pride ourselves on being the best place in Iowa to raise a family and grow a business.

Whether you enjoy music in the City Square on a warm summer night, Christmas in the Park in December, the nationally-acclaimed Marion Arts Festival in the spring or walking the trails on a crisp fall morning, it's no wonder Marion is named an Iowa Great Place.

In Marion, people work smarter, set lofty goals and strive to achieve the very best for their families and community. Here we reach higher!

### All-Star Community

We're a back-to-back All-Star Community. Marion is one of only three Iowa communities recognized by the Iowa League of Cities in 2017, 2018, 2020 and 2021. The designation honors innovative efforts in urban renewal, collaboration or quality of life improvements.

### Unique Sense of Community

As one of the fastest growing communities in the state, Marion is intentional about maintaining its unique sense of community. A variety of festivals and cultural events bring families, friends and neighbors together. The Marion Arts Festival is ranked one of the nation's best.

### Healthy Living

The City of Marion maintains 600 beautiful acres of public green space, with plenty of manicured parks, trails and athletic complexes to make it easy to get out and get active. Join us and you'll see that healthy living is in our DNA.

### Historic Uptown Marion

Savvy freethinkers escape the generic by spending their time and dollars in Uptown Marion. This Main Street Iowa District is home to small businesses that offer unique services, gifts, food, drinks and entertainment.

### Best Place to Grow Your Business

No more than a 10-minute drive from some of Iowa's best schools, medical facilities, industrial parks designed for the human experience, and beautiful neighborhoods. Marion is the best place in Iowa to raise a family and grow a business.

### Rich in Arts and Culture

Marion is creating a legacy for the future founded in high-quality, relevant and engaging public spaces. Look no further than the Uptown Artway, featuring nine permanent public art installations in a revitalized alley, or the Klopfenstein Amphitheater at Lowe Park, a functional work of art itself.
