# City of Marion Community Facilities Plan

The Community Facilities Plan identifies future need for community facilities and offers long-range recommendations for future facility locations and improvements. The generalized locations of future community facilities, such as schools or fire stations, do not preclude the need for the more detailed planning, programming, and site selection which fall within the purview of each respective agency of organization.

**Schools.**

**Linn-Mar School District.** Linn-Mar Schools has an enrollment of nearly 6,500 students attending classes at 10 existing school facilities including:

- A Bowman Woods Elementary
- B Echo Hill Elementary
